(2) Other requests

● If you require any dietary or other arrangements due to allergies or religious reasons.

**Please understand that depending on your request, it may be difficult to process the food in Japan into the form you require.*

● Reasonable Accommodation (*Any reasonable adjustment required to enable a student with a disability or medical condition to participate in the program on an equal basis.*)

Students who wish to request reasonable accommodation during this program are expected to notify using this form. The program secretariat will then contact you individually for further information.

For this short-term program, reasonable accommodation will be determined by mutual agreement between applicants and providers and by ensuring that the accommodation is provided without undue burden. Acceptance will be decided on a case-by-case basis.
